Similar to the [Nilfgaardians](#), the humans living in the Ultari region, the Ultarese, are descendants of elves, in particular [Aen Agde](#) elves.

The region is composed of two great kingdoms, an area known as The Border (where similarly to the taifas of [Barsa](#), multiple small kingdoms are found) and several islands kingdoms that in the past were associated with the kingdoms present on the peninsula.

The language spoken in the region is the Hangul and its variants along with other minority languages such as the Okamese Language.

The Ultari region has its own sea, which is known as the Dragon Sea.
